

Good Life Vapor is a great South Georgia liquid manufacturer, and chain of vape shops. GLV liquid starts with a proprietary blend of VG and PG, and brings the flavor. Available in 6mg, 12mg, 18mg, and 24mg strengths (limited availability in 0mg and 3 mg). 10ml-\$7.50, 30ml-\$16.50, 50ml-\$22.00.

Nana's Nuts- Banana nut bread flavor

Deadly Sin- Unique bakery flavor that often tastes like a cinnamon bun, with sweet frosting

Melon Boba- Fresh watermelon, cantaloupe, and honeydew, with a very light menthol finish

Cozmic Berries- Like the tasty red berries in a certain cereal

**Baja Breeze- A tropical lime flavored soda from your favorite late night taco stop,
This one has a light menthol finish**

Zombie Blood- Strawberry gummy candy, with lots of menthol, a top seller

Black Fairy- Blackberry/absinthe (black licorice) flavor. Only use this liquid in glass tanks

**Twilight Zone- A raspberry/pineapple flavor that tastes like popular sweet and tart candy from
your childhood**

El Kamino- GLV's most popular tobacco flavor. Think little black cigar

English Bulldog- A light pipe tobacco flavor, with a toffee finish

Strawberry Obsession- A good straight up strawberry flavor

Plain Jane- A really good vanilla flavor. Not too strong, so it doesn't get old too fast

925- The only coffee flavor we've ever found worth vaping

Shivering Zebra- Fruity gum from days of old, with a cool menthol finish

Eve's Mistake- Apple with LOTS of menthol

Purple Stuff- Really tasty grape candy/drink flavor

Circus Circus- Sweet taste of blue cotton candy

The OC- A terrific orange cream with mandarin orange

Triple Threat- Great rainbow sherbet flavor

Crunchy Corn- Semi sweet kettle corn, caramel, and peanuts

Coco Loco- Coconut cream

**Pink Pulldown- Tasty blend of raspberry, pomegranate, and a couple secret ingredients.
Pink Pulldown is a high VG blend.**

6 strengths x 22 flavors = 132 SKUs

Nicquid is proudly crafted in Dayton, OH from only the finest ingredients. 10ml bottle- \$7.50, 30ml bottle- \$16.50

Menthol Flavors:

Added Burst- Contains no nicotine, and not intended to vape straight. Use this product to kick up the menthol in other liquids. A dab will do you.

Apple Breeze- A cool blast of menthol envelopes a palette puckering green apple.

Bahama Blizzard- A perfect pairing of orange, cranberry, and peach which is blended and frozen with cool sweet menthol.

***Sinapse-** Blasts the senses with a deceptively cool dose of menthol, sweet and tangy green apple, and the devilish bite of cinnamon.

***Sinthol-** A strong pairing of spicy cinnamon, and refreshing menthol.

Smooththol- A creamy, sweet, cool, and strong mint/menthol.

Southern Freeze- Fresh peach and strawberry with a cool menthol blast.

Non Menthol Flavors:

Cherry On Top- Sweet ripe red cherry flavor mixed with fluffy and sweet cream notes.

Daybreak- A sweet, fresh, roasted, slightly nutty and creamy tobacco taste, with a hint of french vanilla.

Pom Beach- An attractive undertone of pomegranate laced with sweet strawberry.

Strawnana Smoothie- Ripe bananas and strawberries mixed with cream.

Peach Lemonade- Sweet, tart, and delicious.

Maui- Ripe pineapple, and sweet mango.

Biscotti- Semi sweet Italian treat with touch of almond.

****Strong cinnamon liquids, like Sinthol and Sinapse can react with plastic tanks, and should only be enjoyed in glass tanks.***

4 strengths x 13 flavors = 52 SKUs

Crafted with skill in a state of the art production facility in Tennessee, Mountain Oak Vapor eliquid is always tall on flavor. We carry several lines from MOV. The "Classic Series" liquids are 50% VG blends, all others are high VG.
